Sirs:-

Mr. T. N. Milton has handed me a letter addressed from your office and dated August 14th, 1917, to him in answer to his letter addressed to Hon. Ernest Amos, with statement of assessments in Pasco County against Mr. Milton, with the request that I answer same.

Your statement shows that on page 139 Assessment Roll of 1916, an asses ment thus:

" Lots 1,4 & 5 Blk 4 Tier 2 Richland	
Valuation except Town or City lots	\$2200.00
Valuation town or city lots	1730.00
Aggragate Value town and City lots	<u>3930.00</u>

Page 139 Assessment Book Pasco County for 1916."

I have carefully noted the assessment on Page 139 of the Book of 1916. Lots 1,4 & 5 Blk. 4, Tier 2 Richland is assessed to T. N. Milton and valued at \$300.00.

The figures that you have are the footings of the three columns; \$2200.00 is the sum found by adding column 9 as \$1730 is the sum found by adding column 10 and \$3930.00 is the sum found by adding column 11. It may be that in writing this page that the page slipt in the machine so that these footings are on that Book are nearly in line with Mr. Milton's name.

Yours truly,

W. V. Gilbert
Tax Assessor, Pasco County.
