Tax Assessor, Pasco County  
Gade City, Florida

Department of Pensions,  
Tallahassee, Fla.

Sirs:

Answering your letter of the 28 ultimo, inquiring as to the cash value of property owned by T. N. Milton in Pasco County, beg to reply as follows:

T. N. Milton has assessed against him on the 1917 Tax Roll property to the value of \$200.00. The cash value of this property, I would say is not more than \$450.00. However Mr. Milton has just closed a mortgage on another piece of property valued on the tax books at \$600.00. The actual cash value would not be more than \$1500.00

The actual cash value of all property owned in Pasco County by Mr. Milton (including the one he holds mortgage against) I should say, would be about \$2000.00

Yours truly,

Tax Assessor, Pasco Co.

P. S. A fire destroyed the residence and store owned by Mr. Milton and assessed against him on the 1916 Tax Book.
