Genoa Florida, December 29th, 1909.

Miss Jefferson Bell,
Tallahassee, Florida,

Dear Madam:-

About August the 8th, I recieved a card from you stating that my Pension claim had been recieved and filed, and that as soon as it was acted upon that I would be notafied, but up to this writing I have heard nothing more from it. My application is numbered 12682. Will you please let me know what disposition has been made of the claim and what the trouble is so that I may go ahead and furnish further proof if necessary.

Yours very truly,

(Mrs) Martha Jane Cason
